## BASKET DAY AT GLADDEN COMMUNITY CENTER -

The Mustang Club of Ohio showed up in a big way to help the Gladden Community Center with their annual Holiday Basket Day on Thursday the 17th. Nineteen MCO members joined with 19 Diamond Innovations employees to fill 325 boxes with food for Franklinton area families and seniors. Later in the day locals came to the center to pick up their food boxes. Those unable to attend had their food delivered by a corps of other volunteers working at Gladden. This year, MCO was able to contribute \$2,000.00 to the Gladden House to aid in their charitable work.

Members helping in the event included: Dan Trapp, Ron Gallagher, Larry Larson, Jim & Doris McLeaster, Sabrina Hall, Doug Yoder, Steve Vagnier, Pat Todoran, Shane Gibson, Teresa Gale, Toni Gale, Jim & Rose Rouse, Paul & Anita Vogt, Robert A. Walston and Stephanie Roberts and her schoolmates Maddy and Gabe. Thank you to all who participated. Hope you can join us next year.
