

MCO Attends Signature Auto Open House

Jacque and Rick Parker hosted their annual open house to coincide with the United Ford Owner's All Ford Super Swap Meet. Signature Auto Classics/BossCars.com opened their doors to visiting vendors and participants for fun, food and fellowship. The facility is

definitely Mustang Heaven with Boss's, Shelbys and Mach 1's parked door handle to door handle on the showroom floor.

It is always a pleasure to be invited to this event. The Parkers are gracious hosts, providing an exceptional catered meal for the attendees. Every Mustang lover will

find it well worth the trip to the Signature Shops near Port Columbus International Airport. Several MCO members enjoyed the gathering, meeting old friends and making a few new ones as well.

We thank Jacque and Rick for the invitation and hope to visit with them every chance we get. The Signature Auto Classics/BossCars.com Open Houses are held for both the Fall and Spring Swap Meets. Be sure to mark this event on your calendar for next year.
